

# EUROGUARD® SLIDING GATES

EuroGuard® Platform Sliding Gate

EuroGuard® sliding gates are a perfect match to our range of EuroGuard® fencing and are available in Platform Heavy, Extra, and Combi to complement matching fencing styles.

- Ideal for applications where space is limited or ground obstacles need to be spanned
- Platform Heavy: Available in a range of standard widths to span up to 20m and in heights of up to 3m
- Extra: Available in a range of standard widths to span up to 20m and in heights of up to 2.4m
- Combi: Only available as tracked sliding gates. Available in a range of standard widths to span up to 5.5m and in heights of up to 2.4m
- Single or double leaf options available
- Cantilever or tracked options available
- Manual or automated operation

## FINISHES
